

Nature's Expression

TOP 10 GIFTS FOR MEN

Mortar and Pestle Sets

Barbeque season is coming up very soon; granite mortar and pestles are ideal to grind and blend together herbs and spices to make meat rubs and marinades. Great way to make your own sauces!

Slate Coasters

Put a rustic feel into the summer cabin or on the bartop with slate coasters. They protect the surface of your table or countertop, ensuring no water rings get left behind.

Brain Twister Puzzles

Brain twister puzzles are a great gift for men and children. The puzzles test ingenuity and boost logic skills, and create a challenge no one can resist!

Ice Stones

These unmeltable ice cubes made from granite keep drinks cold and not diluted. They are very popular as a small and useful gift that can be reused over and over.

Arrowhead Pendants

Men will love these wire-wrapped pendants. They come in different stone types, and each piece is one of a kind.

Tribal Bracelets

Natural bracelets hand-made from leather, twine, and hand-carved and painted wood. 11 different designs to choose from!

Survivor Bracelets

For the active man who's always on the go, it never hurts to have an extra 9 feet of paracord available in case something happens. Your customers can be prepared, and look sharp doing so! A variety of colours to choose from.

Black Tourmaline Stone Bracelet

Black tourmaline not only looks good on men, but is also sought after for its ability to guard the wearer against radiation and environmental pollutants. This bracelet helps protect those always working outdoors or in labor-intensive activities.

Spinner Ring Display

These stylish spinner rings come in a variety of designs that spin around a central ring. Men will appreciate having options to find the perfect accessory to suit their style.

Agate Bookends

These agate bookends are dyed and polished to reveal naturally occurring rings. Each unique bookend brings a beautiful piece of earth to bookshelves and desks.
